WRAPAROUND REFERRAL

WHAT IS WRAPAROUND?

Wraparound is a free service for Butler County families, who might be experiencing high stress or crisis due to a single event or build-up of multiple challenges. Wraparound is a planning process that helps organize a supportive team around the child and family. Family voice is at the center of this process because they are the expert on their family. Teams come together to address needs and challenges including: behavioral health struggles, children services contact, developmental delays, medical needs, juvenile justice involvement, psychiatric hospitalizations, problems at school, trauma, and/or youth who need help transitioning to adulthood.

WHO TO REFER

Butler County youth and young adults ages 0-24 who have complex needs and are interested in a team-based approach to develop one overall support and service coordination plan. Utilizing the family’s unique strengths to problem-solve and plan, wraparound teams advocate with the family and co-design targeted and creative help that addresses challenges more effectively.

INSTRUCTIONS FOR REFERRAL

- Complete ALL pages and sections of the referral packet. Pages can be filled out by the referral source, the legal guardian, or completed together. Enrollment Release of Information and Household Income forms highlighted in yellow must be signed by the youth’s legal guardian.
